- **Welcome and Introductions**
- **Purpose of I.D.A.C.:** Cathy Dodd, principal, shared the purpose of SART, providing school and district current information, along with gathering feedback from our stakeholders.
- **IDAC Action Plan:** Mrs Dodd shared a Power Point reviewing the IDAC/CLASSI III Action Plan. Three focus areas have been identified – Focus Group Achievement, Multicultural Education, and Acceptance & Understanding of All. Mrs. Shepherd and Mrs. Buma both agreed these areas should be our 2023-24 focus. Parents were provided with the opportunity to share feedback. Rosanna Shepherd was excited to hear about the additional events and focus for 2023 – 24 school year. Mrs. Shepherd shared her love of the Passport Day we have done in the past and was excited to see it return as an event this coming year. Mashona Buma also shared she is excited to see these events return to our school site, along with sharing resources to provide our parents.
- **School Safety Update:** Principal Dodd shared and updated parents on our EMS Catapult system. Mrs. Dodd shared the current reality at Sierra Vista. Staff members are much more comfortable with the use and understating how to function in an emergency situation and account for students. There were no questions asked by attending parents.
- **Thank you:** Mrs. Dodd shared her appreciation for all of the parents and their support for I.D.A.C. this year.
